

Parent Refund Release Form

Parents who wish the Parent loan over-payments to be released to their student instead of themselves must complete this form in its entirety per semester. Parents elect on their loan applications if they want refunds to go to them or their student. This form is for the parent who stated that they wanted the refund and now elect to release it to the student who may have direct deposit as a refund selection option for example. Otherwise, the proceeds from a Parent loan over-payment will be issued to the Parent who took the loan in the form of a paper-check mailed to their address. This form must be received prior to loan disbursements to guarantee processing, if received prior to refunding, after loan disbursements-we will do our best. Please complete and sign (wet signature needed) to studentaccounts@kutztown.edu or fax to #610-683-4674.

Parent's Name (Loan Holder)

Address of Loan Holder:

Street
